

# PRESIDENT RAPHI REBUCAS

*OUR REPRESENTATIVE IN THE STUDENTS' POLITICAL ACTION COMMITTEE*

*In his current role at YLPAC, Rebutcas continues fighting for long term change in our communities. During his administration, Rebutcas answered well over five thousand phone calls for California families in need of food benefits, unemployment assistance, and resources for wildfire relief. His steadfast decision-making delivered results amidst global pandemic for students, and his ongoing leadership at the committee reflects his longstanding passion to uplift our youth to success, improve the quality of education in our public schools, and protect the dignity of women, children, senior citizens, veterans, and victims of domestic violence.*

## PRESIDENT RAPHI REBUCAS IS THE SNACK WHO HAS YOUR BACK.

*He understands that students like you and me lead busy lives.*

*Between school and sports, clubs and chores, homework and home life, he is inspired by the hardworking spirit of California's diverse student body. He knows how hard you work, and he understands you deserve a leader who works as hard as you do.*

*Commonly referred to as "Raphi" by those who know him, Rebutcas leads with the conviction that a life so blessed should be rooted in service toward other people. He remains committed to using his business and public policy experience as a force for good, advocating for several initiatives that boost public safety, protect the rights and dignity of pre-born babies, and modernize California's classrooms. A senior in high school, Rebutcas lives in Torrance with his mother and father.*
